THE TEACHING STAFF

#### **SCHOLARSHIPS**

The halls of C.H.C.I. should ring with pride at having watched the development and heard the responses of such a brilliant student as—

Bob Stewart. At the end of the 1940-41 term Bob Stewart had won no less than three scholarships and had eligibility for a fourth.

The Bennett Scholarship he received for being the best student in the city in Grade XII. For being the most deserving pupil in the city he received the Western Canada College award, which was presented for its first time. He also became eligible for Queen's University and McGill University scholarships, each of which he could qualify for only by attending the university. As he chose to attend Queen's University he had to forego the McGill offer.

Roy Davidson, who won an I.O.D.E. scholarship as well as a university award last year; now studying History and Economics at the University of Alberta. At Crescent, Roy was editor of the 1941 Bugle, president of the Boys' Badminton Club, a member of the winning team in the debates, and secretary of the Boys' Hi-Y The best of luck to you, Roy!

Marjorie Lick won the French scholarship last year. This scholarship is open to competition in all the city schools and is awarded by the French Clubs of the city Marjorie spent her summer in Ontario and Quebec with French families. This year she is finishing her Matric and hopes to specialize in Modern Languages next year at University of Toronto

Seemingly, Bob doesn't possess all the genius in the **Stewart** family; his sister **Florence** captured the McKillop award for having the highest marks in Grade XI. Keep it up, Florence! We should like to see you following in your brother's footsteps.

Well, studes, it's something to look forward to.

A promising Grade X student, **Vivienne Scorah**, who won the award in the Bennett scholarship for Grade IX, probably will add laurels to dear old C.H.C.I.'s gallery also.

W. J. HOOVER

We are proud to pay a tribute to Flying Officer W. J. Hoover, former teacher at Crescent Heights, who is now giving full-time service to his country.

Flying Officer Hoover left Calgary last October thirteenth for a three weeks' course in Toronto. From there, he was posted to Ottawa and later returned to Calgary. At present, he is in the R.C.A.F. Recruiting Office here as a Manning Personnel Officer.

The whole school feels that the teaching staff of C.H.C.I. is well represented in His Majesty's forces.

## To The Graduates

\* \* \*

Once again, as the time approaches for the publication of the "Bugle," I am given the opportunity of addressing to the students and ex-students of Crescent Heights a few words of goodwill and encouragement.

I wish to assure all of them of the deep and vital interest the members of the staff have in their progress in the school and in their success in post-school days. We are very proud of the large number of former students and teachers of this school who have joined some branch of the armed service, and we look forward to the day when we can welcome them back. To the families of those who have made the supreme sacrifice in the discharge of their duty, we extend deepest sympathy.

The war will not last forever:—as surely as day follows night, be it in one year or five, peace will come. And thinking men in all the democracies are determined that, having won the war, we will not lose the peace. They are determined that the new social structure that will rise out of the ruins of the old will be a better one. Sweeping social changes will come, bringing a better deal for the working man and the poor. In the past, there has been too great an inequality in the social and economic structure, harmful to the favored as well as to the less fortunate. It is the duty of everyone to take full advantage of whatever educational opportunities are available to prepare for active participation in community and national affairs when the perod of reconstruction comes. There will be a need then, as there is now, for the idealism and enthusiasm of youth. Untrained and uneducated people will have to be fitted in as well as circumstances permit, but the people who have had useful training and who can think clearly will have to shoulder the responsibilities and become the leaders of the new world that is to come.

Dr. J. M. HUTCHINSON, Principal.

## Editorial

\$ \$ \$

Another year has passed and once again the staff of the Bugle offers a record of the activities of the student body. 1941-42 has been a successful and busy year for the whole school. Although our sports programme was somewhat limited owing to the late beginning of the fall term, all other interests have been well supported during the year.

To everyone who has helped in any way with the gathering and assembling of material for the Bugle, I express my sincerest thanks. Their willing and capable assistance has been greatly appreciated, and I hope that in their combined efforts everyone in C.H.C.I. will find some reference of their school days which they would like to remember.

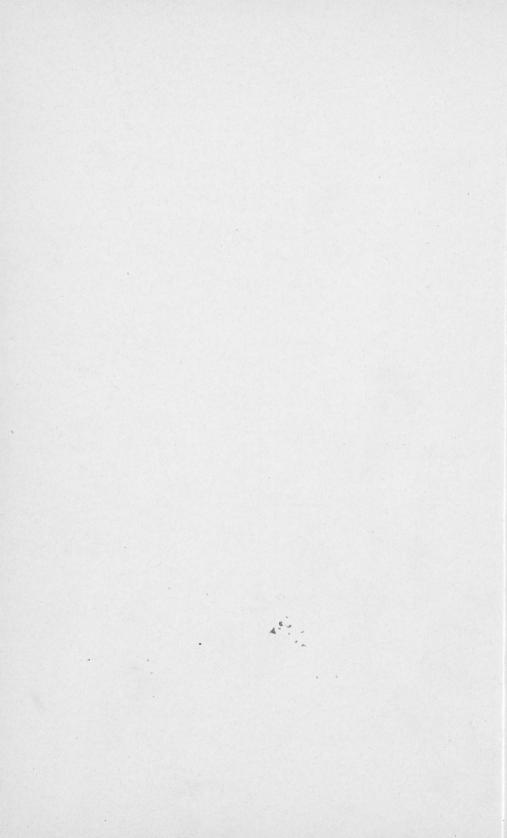

We wish to acknowledge, too, the tremendous debt we owe to the teaching staff for their untiring efforts to instil in every student a right way of thinking and living, as well as the instruction for academic progress.

To the ex-students now serving in His Majesty's Forces we would pay special tribute, with the hope that the Year Book will recall for them pleasant memories of happier days. We are deeply conscious that in their courageous acceptance of duty and sacrifice today they are safeguarding the graduating classes of tomorrow.

To the graduating class of 1942, we extend the hope that they may take from their years at Crescent the ability to meet whatever life may offer, and we wish them a complete realization of all their hopes and plans for the future. May that future be, for all of us, one of happiness and enduring peace.

CYNTHIA DOWNE.

Her future cannot be seen very clearly even by herself, but she probably will be coming back next year. She is another one who likes plenty of sports, skating and swimming being two of them.

#### Hazel Willetts-21

The better third of the Hazel, Gwen, Florence trio. One of Crescent's brain trusts, Hazel is spending her second and last year here. She is a member of the choral, orchestra, badminton, Siren and War Service Records.

# Dorothy Williams-18

Her future is indefinite, but a business course may be in her line in the near future. Swimming and skating are her chief sports, though they are at opposite ends of the year.

# Grace Wray-22

This brilliant red-head (take that two ways) is a member of the K. R. C. Sorority. She intends to finish this year and take up teaching as her profession.

# THE IMPERFECT CRIME

We had a lot of excitement up at King's Harbor last month, what with all those robberies going on, and Mr. Rodney King getting murdered. My friend, Tom Garrat, was hotel detective, I guess you call it, up there. In case you don't know, King's Harbor is one of those choice summer resorts where only the "elite" stay, or, can afford to stay. It is mostly patronized by older folk, through, being too far from the bright lights for the younger ones.

Well, to get back to Tom. He is a rather clever chap, but he is getting up in years now, and he jokes about his hotel job as being his "retirement." I guess it was pretty soft for him, that is, until last month. Then a wave of crimes struck the Harbor, and for a while they looked like the perfect crimes.

To begin with, a would-be robber couldn't choose a better spot than King's Harbor. As I mentioned before, it is patronized by only the very wealthy, and it is also very out-of-the-way. The first robberies seemed to be of the minor type, but even so they were carried out perfectly. The burglar left no clues whatever, at least, none that could convict him.

You see, Tom and I were pretty good friends, school, college, and all that, and I was staying with him at the hotel for the summer. In the evenings we used to spend a peaceful hour out on the wide verandah overlooking the water, and Tom used sometimes to spin a yarn or two. However, when the first robbery occurred, our conversation naturally turned to it. Tom would tell me what clues he had discovered—they were mostly useless—and also his theories on the case. He used to say it relieved his mind to share his cases with someone else.

From what he told me, the chap who was carrying on this thieving was pretty clever; seemed to know just when and where to strike. At first he didn't seem to bother with anything very valuable, but it appears now that he was just testing his "technique," for during the second week, valuable articles began to disappear. First, it was Mrs. Richard Halverton's priceless Egyptian necklace, supposed to have come off a mummy, or something. It was made of a peculiar kind of old gold, set with flawless emeralds. A pretty thing it was, and, indeed, t did look tempting. Next Mrs. Anthony Collins' diamond pendant disappeared. That, too, was extremely beautiful as well as valuable, and equally as tempting.

These, and many similar robberies occurred, and poor old Tom began to get worried. There just weren't any clues. "The perfect crimes!" he used to say in a half-hearted, joking way, but you could tell he was a good deal bothered. He used to sit there every evening with me and review the latest venture of this amazing criminal, but he never seemed to make any headway.

This kept up for a couple of weeks, and soon all the holidayers were moving out, scurrying back to the nice, safe city with all their precious belongings. I had to go to the city for a day or two at a time, myself, and each time I returned someone else had left, bag, baggage and jewels. Of course, this wasn't doing Mr. Rodney King, the proprietor of the resort, any good, either. If the crook couldn't soon be found it would mean the loss of all his patrons, a bad name for his hotel, and his financial ruin.

When Tom couldn't unearth anything, King became really desperate. He even went so far as to say he knew who the crook was, but was just waiting for further evidence, apparently in the hope that the threat of exposure would drive him away. However, Mr. King seemed to "shoot off" his mouth a little too much for the crook's liking, for the next day the latter paid a visit to Mr. King. From all evidence some sort of a scuffle ensued, in which Mr. King was struck over the head, the blow causing concussion and death. Now he had not only first class robberies, but a murder too. Some excitement!

After that things cleared up with amazing swiftness. The crook, in murdering Mr. King, had made his one mistake. I suppose you are curious to discover what that mistake was? Well, no more curious, I'm sure not half as curious as I was, when Tom told me he had discovered the fatal clue.

It seems that when Mr. King was struck over the head he had bled a good deal, and on the floor were small red stains that looked as if they had been made by a stick dipped in the blood—a cane for instance. These spots grew fainter and fainter as they neared the door until they faded away completely, and there were none on the other side at all.

Well, you say, that doesn't prove a thing. Lots of people carry canes, and you couldn't trace the marks, and surely the murderer would have sense enough to wash off his cane. You are quite right, too. But Tom wasn't stumped this time. He had all the evidence he needed, and knew it. He also got his man.

Who was he, you say? I'm afraid I'll have to give you a little build-up first so that you'll understand better. When Tom and I were young we used to room together and one of my pet hobbies was collecting curios. Tom would help me out, now and again, by picking up different articles he would come across in the course of his travels. Once it was a Chinese lacquer vase, once an Egyptian good luck charm, once an antique cane with a claw-shaped foot.

Lord, this cell is quiet!

# BINGO

"Come on, Bingo!"

The gate banged close after the small, sturdy figure of five-year-old Bobby Lawrence.

A small, inquisitive nose and two bright eyes showed through the fence palings, and Bingo, the small mongrel dog, squeezed through the fence and raced after his young master.

Across the road the child trudged, Bingo romping joyously at his heels. Bobby climbed up onto the railroad track. He had often done this. The freight engine from the mine didn't come this way any more.

Down the track the two small figures wandered; Bingo sometimes lingering behind, sometimes racing far ahead.

Through the cut-bank, around the corner and on to the trestle bridging the river they went. Bobby stopped to watch the water below. Bingo's eyes grew bright. Little ears twitched to attention. His hearing, more sensitive than the unheeding child's, could detect the sound of an approaching engine. Despite anxious barking on Bingo's part, Bobby paid no heed. The little dog grabbed a small hand in his mouth to race off the bridge as they had so often run together.

"Stop it, Bingo. Bobby want to look at the wivver." Bobby shook his hand free and returned to his fascinating watch of the waters.

Suddenly, Bingo darted away. His little body streaked along the track toward the nearing mine freight. He must stop that train. By the time Bobby saw the engine, it would be too late for his sturdy little legs to carry him safely off the narrow bridge.

"Bingo! Come back!"

The little dog did not hear. On he raced; around the curve and on toward the train.

"Bingo! Bingo!" Bobby ran after his pet as fast as his chubby legs would go. "Bingo! Come back!"

Still the dog did not hear. Still he raced on until he was a few yards from the oncoming train. Clearing the track with a bound, Bingo set up a frantic barking . . . .

Young Harvey Jackson sat in the cab. It was good to be back at work after so many idle months. He thought of Mary, his wife. Now they could afford a little cottage with, perhaps, a dog around.

"Why, this is Lawrence's dog. Wonder what he is doing here." Harvey leaned out of the cab, watching the little dog as he raced along-side.

Bingo's little body was growing tired. The legs could not long stand the telling strain. On and on he raced. Strength seemed to come from some inexhaustible source. But Bingo's wind was going too. His breath was coming short and the train was nearing the cut-bank.

The little dog gathered all his remaining strength, and leaped—directly in front of the engine.

There was a sickening screech of grinding brakes as the train slowed to a stop.

Harvey leaped out of the car. He eased the little dog's mangled body from the track. Blood oozed from the mouth, and the once pert eyes were growing glassy.

"Bingo!"

A spark of recognition flashed in the eyes of the broken dog at the sound; and a sobbing figure stumbled around the corner.

"Bingo! Bobby want you."

Tears filled Harvey Jackson's eyes. He understood.

#### TIME SITS LIKE A BLIND OLD BEGGAR

Time sits like a blind old beggar,
On haunches shrivelled and thin:
In his wizened hands he holds a cup
And bids you put something in.

And the sad man puts in weeping,
And the poet puts in rhymes,
And the poor man puts in pennies
That clink against silver dimes.

# APRIL WIND

The papers on Jane Dryden's orderly desk scattered as a cool breath of April-fragrant wind swept over the small, neat office. With a sigh she gathered them up and placed them carefully inside the desk.

Today, she thought, there is something wrong with me. I've never felt like this before. Here it is noon, and half my work is still untouched. I wonder, could there have been anything in what old Dr. James said about my heart? . . . Nonsense! I'll just have a very little lunch, and then this afternoon I won't leave till everything is finished.

Absently she picked up her hat and coat, closed the window, and left the small room. Walking down the sunny street she felt her strange restlessness increasing. At the end of the street a group of small boys were playing in a cloud of dust and noise. Their shouts of glee echoed in the clean air and startled forgotten memories in Jane's heart. She tossed her head angrily at the tenderness that filled her.

Around the corner was a tiny florist's shop, its windows gay with daffodils and purple iris, narcissus and flaunting tulips. For years now Jane had passed the little shop, feeling nothing more than a vague acknowledgement of its existence. Today she stopped, amazed at herself, but defiant. A lovely bouquet of daffodils had caught her eye. Hesitating for a brief moment, she looked around nervously, then back to the flowers.

For goodness sake, she told herself, I've as much right to buy flowers as the next one, and without further argument she pushed open the shop door.

The tinkling bell brought a small, insignificant creature, who looked ridiculously out-of-place in the fragrant, colorful little shop.

"I'd like a . . . are they only thirty-five cents? . . . Well! . . . Dear me! . . . Have you any . . .? Look, daffodils and narcissus, one of each—yes, two. That's seventy cents. Yes. Thank you!"

With a startled look on his round face the little man scurried away, and came back almost at once with the flowers. He watched his surprising customer depart, his mouth open, and his eyes blinking.

Jane smiled triumphantly as she peered down at the flowers in their wrappings of stiff brown paper. With her head high, she walked swiftly to the old white house at the end of the block, and entered automatically, her thoughts far away. Why today did the sunlight seem a brighter gold, the sky a clearer blue?

Old Mrs. O'Reilly looked at "that queer Miss Dryden" in astonishment. Jane smiled brightly, and on a sudden impulse . . . unheard of thing . . . hugged the mystified old woman. Then, suddenly shy, she

turned and ran lightly up the stairs to her cool, clean room. If rooms can smile, and I think they can, then thatroom of Jane's simply beamed when she unwrapped the flowers and arranged them carefully in a tall copper pitcher.

A few minutes later she was sitting sedately at the table, but her mind was fluttering and soaring in a rosy world of her own. A tiny germ of thought was swelling, slowly, but surely, blossoming into a brilliant idea.

For twenty-six years Jane had worked, efficiently, and without complaint, and in all those years she had never once gone away for a holiday. But, today, remembering it for the first time in weeks, she was strangely aware of kindly Dr. James' insistent urging that she should take a restful vacation every year. She smiled as she remembered his gentle caution, "Avoid all excitement," and suddenly, blinding in its brilliance, the idea came.

Why not a holiday this April?

Thoughts tumbled eagerly, each one suggesting lovely, impossible things to poor Jane.

"You're not eating, my dear. Don't you feel well?" asked Mrs. O'Reilly gently, breaking in suddenly on Jane's reverie.

"Oh, yes, thank you, I feel quite well, but I'm not really hungry. If you don't mind, I'll just have the coffee, and then get back to work. I have so much to do."

"So much to do . . " The words echoed and pounded through her very veins.

Where could she go? Maine, Vermont . . . no . . . How about . . . Yes, that was it! Florida! For years she had read about it, and longed, impersonally, to go there. Now she would go!

Money was no difficulty. She was naturally thrifty, and had saved a good-sized sum, and had no one but herself to care for. All she would have to do was buy a few clothes, pack, and get her tickets.

Trembling with excitment she phoned to the office, leaving word that she would be unable to return for four weeks. She thought, if they won't have me when I come back, I can worry about it then. Right now I'm going to enjoy myself.

During all the long afternoon, as she tried on fluffy feminine blouses and gay print dresses, pictures of deep blue skies and gaudy scarlet flowers rippled the surface of her mind. Excitement and anticipation raced through her body.

When at last she reached home, the one room which had been her only home for so long, she flung herself exhausted across the bed.

Yesterday at this time I hadn't even the remotest notion of going to Florida, she thought. Now everything's ready and packed. I have the tickets, and I don't have to go to work tomorrow or the next day—not for a whole month.

She closed her eyes and fell asleep instantly. Her usually pale face was flushed; her tidy hair loose, and softly curling. How little and helpless she looked . . . so trusting . . . and as happy as a child with its first toy!

Next morning the April sun was clouded. A fine misty rain painted the trees and houses with darkly shining satin.

At ten o'clock Mrs. O'Reilly noticed that Jane had not yet come down for her breakfast. She was already very late. Perhaps the poor child was ill. She hadn't eaten much lately.

Slowly the kindly old woman climed the narrow stairs and softly opened the door to Jane's room. Suddenly she gasped, and caught at her throat.

Dressed as she had been the night before, Jane was lying across the bed, terrifying motionless, a childlike smile twisting her cold lips.

The chill wind rustled the stiff curtains, and a silvery spray of rain spattered the copper pitcher of daffodils . . .

#### THE CHORAL SOCIETY

☆ ☆ ☆

The Choral Society has completed a very successful year under the musical directorship of Mr. N. J. Pickard and the business management of Miss McKellar. The executive for the year is as follows:

President	Irene	Barnett
Vice-President	Cleone	Duncan
Secretary-Treasurer	Doroth	y Ward
Librarian	Jean B	lomfield
Pianist	Myrtle	Thomas.

The first presentation was made at the Variety Concert when a programme of well known songs by Stephen Foster was sung in chorus and solo parts.

One of the most successful operettas ever witnessed at Crescent was performed this year by the Choral Society, namely, "An Old Spanish Custom." Strongly supported by an excellent chorus group, special choruses of "Night Riders," "Maids" and dancers, the following people took leading parts:

Day Isra Daws Dissans
Don Jose Ramon Rivera
Billy Day
Beatrice Thorne
Stanley Darling
Patrick Murphy
Maggie Murphy
Katherine Darling
Maria
Silas Day
State Police Officer
Chinaman

Special thanks go to Mr. Max Bishop for his help as dramatic director of the show, while Dorothy Ward and Vivienne Scorah are to be congratulated for their work in directing the dances.

The Choral Society takes this opportunity of thanking Mr. Pickard for his untiring efforts throughout the year, Myrtle Thomas for putting so much of her time into practising with the various groups in the operetta, the members of the orchestra for their assistance in making the show a success, and the stage crew for its work on settings.

Above—Cast of "Charley's Aunt" Below—Dramatic Club.

#### DRAMATIC CLUB

The Dramatic Club completed a very successful year with two major productions, an evening of one-act plays in December, and the farce-comedy "Charley's Aunt" on March 26th and 27th.

"Final Edition" was presented with the cast: Mert Palmer—Stan Sawicki; Elmer—Jim Skilling; Mrs. Haddersley—Ernestine Peel; Doctor—Perry Knight; Chief Pemberton—Norm Smith; Willoughby—Bob Johnston.

"Let's Make Up" saw the modern generation interpreted by John Hickey as Dick Blakeford, Eric Knight as Johnny Warner, Marion Kingston as Marilyn Leonard, Margot Humphries as Jean Morley, with a supporting cast of Joyce Dixon, Ron Campbell, Cleone Duncan, Peter Petrashuyk, Dorothy Ward and Colin Campbell.

"The Red Velvet Goat" completed the programme, with the following cast: Ed Byers as Esteban, Doreen Macdonald as Mariana, Alan Brice as Lorenzo, Lillian Swift as Lola, Betty-May Haynes as Carmen, Joan Kosling as Ester, Ross Jefferies as Ramon, Don Nelson as Don Pepe, Dorothea Schroeder as Dona Berta, supported by Jean Godfrey, Gwen Pinkerton, Don Ayre, Norman Gaskarth, Alf Sherley, Bernard Wise, Eugene Fitzpatrick and Myrtle Thomas.

"Final Edition" was presented also at the request of the Hostess Club at one of its evening entertainments for the Armed Forces at the Y.M.C.A. and again at a luncheon of the Kiwanis Club. On both occasions it was favorably received.

"Charley's Aunt" was presented two nights to reasonably good audiences. The concensus of opinion is that it was one of the best presentations in the history of the Club. For sheer finish of performance it was undoubtedly the best for every actor turned in a masterly performance. The makeup and the staging were excellently done—particularly in face of three shifts of set.

A very well-balanced cast introduced nice shades of contrast and just the right amount of farce. The lead (Lord Fancourt Babberley) was taken by Stan Sawicki who did well in his dual role. Worthy of special mention was Terry Ryan's interpretation of the servant Brasset; Terry built this meagre part into one of the most amusing performances. George Bakos as Mr. Sephen Spettigue played very sincerely. Dorothy Ward and Cleone Duncan as Amy Spettigue and Kitty Verdun with Peter Petrashuyk and Ron Campbell as Charlie Wykham and Jack Chesney gave refreshingly natural interpretations of the younger set. Mary Elias, whose makeup was excellent, as Donna Lucia d'Alvadorez, and Jack Spiller as Sir Francis Chesney gave a satisfactory contrast to the less restrained emotions of the younger couples. Audrey Munch looks as if she might carry on the family tradition very adequately. Joan

Hutchinson and Allen Hammond, in very minor roles, handled their parts effectively.

The staging was effectively carried out by Jarvis Stanger, Bud Mogridge, Don Wilson, Bruce Gonyea and Don Nelson, under Stage Director Gordon Langston. We appreciate the assistance of Mr. Pickard and all those who helped paint the drop used in the second act.

Cecil Duthie directed a make-up committee of Bette Fitts, Joyce Clinch, Darrell Higgins, Ted Johnson, Eric Whittred, E. Park, Barbara Finlay, Margaret Stanger and V. Shantz.

Bob Johnston, as publicity agent, did excellent work with a large committee in charge of the financial arrangements.

Our prompter, Alan Bice, was unfortunately ill at production date, but the Club appreciates his faithful attendance and work at rehearsals.

Vivienne Hanson, Irene Cappell and Wilma Reed were in charge of the costume making.

Matt Livingston took over the house managership and handled the job smoothly and efficiently.

Awards of pins for proficiency in 1940-41 were awarded to Stan Sawicki and Florence Stewart.

The first year competition 1941-42 is scheduled for May.

The Club held several successful meetings at which script readings and a talk by Mrs. F. H. Fish provided entertainment.

#### Officers were:

President Nick Nowak
Vice-President
Stage Director
Stage Manager Jarvis Stanger
Stage Committee—D. Wilson, B. Gonyea, D. Nelson.
Executive—Stan Sawicki, Dorothy Ward, Bob Johnston, Irene Edwards (1st term).
House Manager Matt Livingstone

Nick Nowak took over the presidency when Bob Roberts left school at Christmas.

#### STUDENTS' COUNCIL

At the first meeting of the 1941-42 Students' Council, held on October 21st, 1941, the following officers were elected:

President		Joan Morland.
Vice-President		Len Burton
Secretary		Frances Church
Representatives	at large to the Exe	cutive—
	Irene Edwards and	George Chapman.

The last function of the Students' Council is the Annual Graduation Dance.

# THE ANNUAL BANQUET

On Wednesday, April 29th, the Students' Council, with the help of the Home and School Association, presented one of the most successful of our annual school banquets. Arrangements were made by a committee of three—Joan Morland, Eric Knight and Dorine Carver.

The guest speaker for the evening was Rt. Rev. L. Ralph Sherman, Anglican Bishop of Calgary.

School letters were again awarded by the Students' Council to those students who, during the year, took part in extra-curricular activities, including sports, as well as achieving high academic standing. The lettermen for 1942 are as follows:

Eric Knight Gwen Pinkerton Allen Hammond Hazel Willetts Florence Stewart Cecile Gee Nick Nowak Marjorie Lick

# Home and School Association

At the outset I should like to express the gratitude of the Crescent Heights' Home and School Association to Dr. J. M. Hutchinson for his help and co-operation during the past year; for the splendid address he gave at our first attempt at an evening meeting, and his help at subsequent meetings.

Then, too, we are indebted to Miss M. Giles for her splendid address in December; Mr. Ferguson for his presentation of "Vocational Guidance" in January; to Mr. Steckle for his timely address in March on "School as a Community Centre." We offer our sincere thanks to these teachers who helped make our programmes so successful, not forgetting those members of the staff who so faithfully attended our meetings and promoted discussion on various interesting occasions.

We deeply appreciate Mr. Buchanan's visit to our meeting in April.

The Home and School Association is primarily a phase of adult education and we are pleased that so many of our members and friends have expressed their satisfaction with our programmes and have found them helpful. Our Association has enjoyed an interesting and harmonious year.

Never in the world's history has our Democracy fought so bitter a fight as is now being waged, and many are asking, "When the smoke of battle clears, 'What Then?'" On all sides we hear that things will be difficult when this struggle is over. That peace will bring changes and humanity will have a better chance. This is all undoubtedly true. We members of Home and School should urge the students of this and every other High School to bend all their efforts to equipping themselves, while yet in school, to meet the demands that future problems will put upon them.

You are the potential leaders of the coming post-war period and will have a large part in deciding "What Then?" Don't let it be said that you bungled your opportunity.

Mrs. A. TURNER, President.

# **CADETS**

Eyes right! The Cadets are on parade.

The Crescent Cadet Corps is nearing the end of the second successful year of operation as army cadets. Under the leadership of Sgt.-Major Tillish, squad drill and rifle drill are really snapping into style.

The Cadet Corps has an excellent group of officers and non-commissioned officers who are anxious to make it the best Corps in the city. Uniforms, anxiously awaited, are expected about the first of May.

The Signal Corps, although small, is progressing rapidly under the excellent instruction of Sgt. Little of the R.C.C.S.

Although the Cadets were late in starting, firing on the range is progressing as rapidly as possible. According to Mr. Steckle, acting instructor of the Corps, we have some excellent shots in our midst.

This summer the boys will get a taste of army life when they spend a week at Sarcee Camp in July.

The list of the Cadet personnel to date is as follows:

Captain Brent Scott—Officer Commanding.

Lieut. Ray Griffiths-Adjutant.

Lieut. Bob Phillips.

Lieut. Norm Smith.

Company Sergeant-Major-Matt Livngstone.

Orderly Room Sergeant-Bill Molyneaux.

Sergeant Terry Ryan.

Sergeart Gordon McGuffin.

#### GIRLS' HI-Y

This year the Girls' Hi-Y divided into two groups, Junior and Senior The Senior Hi-Y consists of Grade XII girls, while Grade XI girls form the Junior Club. Both Clubs are supervised by Miss Sage.

#### SENIOR HI-Y

The Senior Hi-Y girls got off to rather a late start this year. However, this has not prevented them from completing numerous activities. The executive for the year is as follows:

President	Doreen Naylo	r
Vice-President	Isabel Walke	r
Secretary	Norma Woolston	1
Treasurer	Marion Kingston	1

The girls, along with the Junior Hi-Y, helped to look after the collection of salvage material, and the sponsoring of room to room campaign for the Bugle Fund. Every week two councillors attend Gamma Chi and bring back reports telling what other Clubs in the city are doing. It was decided that instead of having speakers, our members would give talks, and in this way interesting discussions have been carried on.

An Easter Conference of the city Hi-Y's was held and a social on April 17th which were both greatly enjoyed by everyone.

# JUNIOR HI-Y

The Junior Girls' Hi-Y started on January 29th, with the following executive:

President	Dorothy Ward
	Olive Rose
Secretary	Mabel Church
Treasurer	Doreen MacDonald
Programme Convener	June Thorson
Social Convener	Doreen Carver

Representatives to Gamma Chi-

Phyllis Armstrong and Pat Walters.

The Junior Hi-Y has carried on the sale of pop every Monday noon and together with the Seniors has held joint meetings and promoted the Salvage Campaign. The Junior girls also attended the city-wide Conference and the Hi-Y social.

### THE ORCHESTRA

Once again this year the School Orchestra was organized by Mr. N. J. Pickard. Although the weekly practices are not taken as seriously as they ought, good results are usually attained. The Orchestra has played at several school entertainments, some of which were the Variety Concert and Dramatic Club's presentation of Charlie's Aunt, and three one-act plays. Members of the Orchestra were:—

Piano-

Myrtle Thomas.

Violins-

Glenora Stevens.
Dorothy Frickleton.
Hazel Willets.
Gwen Pinkerton.
Ross McCormick

Dick Duffel

Piano Accordian— Irene Kirk. Trombone-

George Barnett.

Clarinets—

Jim Fish. Ken Stevens.

Bassoon-

Jack Sheane.

Trumpets—

John McNeill. Ken Noten.

Drums-

Larry Weir.

Together with outside artists several of the above named members formed the orchestra which played for the operetta, "An Old Spanish Custom."

### THE CURRENT EVENTS CLUB

The Current Events Club, directed by Miss Beveridge and Miss Atkinson has had a very successful year. Some interesting films were shown, particularly "Wings Over Africa," by Mr. Moore of the Canadian Airways.

The work of the Club included the making of over a hundred handkerchiefs which were donated to the Red Cross to be sent overseas. A Vegetable Drive proved very successful, the vegetables being given to the Junior Red Cross in Calgary.

This year's executive included:

President		Vera	Eby
Vice-President	Geo	orge Des	sson
Secretary-Treasurer	Mary	Kinnibu	irgh
Member-at-Large		Ruth L	aws

### THE GIRLS' I. S. C. F.

The girls' division of the Inter-School Christian Fellowship is one of the most enthusiastic Clubs in the school. The Club is divided into two groups which meet weekly. These are primarily Bible Study Discussion Groups, the main purpose of which is to apply the teachings of Lord Jesus Christ to the solution of practical problems of living.

During the year twenty Fellowship Clubs in the city have joined together in a number of very successful functions, including a Hallowe'en Party, a Fall Rally, a Skating Party, a "Squash," and a Spring Rally.

The executive for this year has been:

President	Ruth Henderson
Vice-President	Pat Mileson
Secretary-Treasurer	Lois Watt
Rep. to City Executive	Marjorie Shaw
Staff Sponsor	Miss M. C. Giles

These have been assisted in the groups by:

Group Secretaries—Audrey Turner and Mavis Chittick. Group Pianists—Irma Fletcher, Doris Crowle and Jean Godfrey. Group Song Leaders—Evelyn Harrison and Edna Heinz.

The Club desires to express its appreciation to the following guest speakers who have so generously helped during the year: Mr. Melvin V. Donald, B.Com., Associate General Secretary of the I.S.C.F. for Canada; Mr. and Mrs. George E. Dugard, I. S. C. F., staff members for Alberta; Mrs. Harold Wood, of the Worldwide Evangelization Crusade, South America; and Rev. H. G. Rees, of North Hill United Church.

### THE GIRLS' ASSOCIATION

The Girls' Association started this term in late September at a General Meeting when Miss McKellar was re-elected Honarary Prsident. The officers elected a week later were:

President	Eve Raymer
Vice-President	Myrtle Thomas
Treasurer	Pat Roberts
Secretary I	Oorothy Frickleton

At the beginning of November a Sadie Hawkins' Dance was held at which a large crowd enjoyed novelty dances and other entertainment. The Annual Variety Concert, presented with the help of the Choral Society, was a great success in early October.

Shortly after Christmas, Treasurer Pat Roberts' resignation was accepted when she moved from the city, and at a general meeting, Eileen Lepper was elected to the position.

With the help of the Home and School Association a Burns' Tea was held on January 27th, the proceeds of which went towards the "Bugle Fund." On display at the tea was a table of letters received from ex-students now in the armed forces. School news has been sent to these boys throughout the year by a committee sponsored by the Girls' Association in charge of Florence Stewart, Hazel Willetts and Gwen Pinkerton.

In March the Association took over business arrangements of the operetta "An Old Spanish Custom."

This year honor rings pins and crests will again be presented to girls meeting the specifed requirements.

The Girls' Association wishes to thank the associated teachers for their help with sports and academic work, all members and friends for their splendid co-operation throughout the year, and particularly Miss McKellar, who worked endlessly for the Club's success.

### "SIREN"

With George Chapman as Editor-in-Chief and a very capable staff the Siren got off to a great start. The sales of the first edition were the highest on record in the school. The first edition was printed in colored ink, and at the next meeting it was decided that the rest of the editions would be printed in black ink.

The staff of the Siren wish to express their appreciation to Mr. Smith and Mr. Frickleton for their help in making the publication of the Siren a great success. Special thanks are also due to the printing staff who, with a great deal of agony, got up early and came to school to publish the paper.

All told it was a very successful year for the "Crescent Siren."

### TRIPLE X CLUB

The Triple X Club consists of thirty Grade X girls who meet twice a month under the leadership of Miss Davis to study personality problems of the high school girl. Guest speakers and social hours give an interesting variety to the year's programme.

The Club held an Easter banquet on March 30th when the table was

brightly decorated with the School colors and the Club's crest.

During the year 1941-42 the work of the Club was handled most efficiently by the following executive:

President	. Lorraine Boyd
Secretary	Irma Fletcher
Treasurer	Gertrude Clark
Programme Committee	Thelma Reynolds
	Phyllis Cowie
Social Committee	Vivian Pridmore
	Betty Tarrant

### THE GIRLS' BADMINTON CLUB

The Girls' Badminton Club was again in full swing this year with many new girls, particularly from Grade X, and also a large number of old members participating in the fun.

Two enjoyable socials were held with the Boys' Badminton Club. A successful tournament was carried on in which Dorothy Ward emerged the star player. Members of the Club took part in inter-school tournaments.

The executive for the year is as follows:

President	Rut	th Vine
Vice-President	Oliv	re Rose
Secretary-Treasurer	Joan	Healey
Social Convener	Doreen	Naylor

The Club extends its hearty thanks to Miss Dunlop for the assistance she has given as sponsor.

### THE FRENCH CLUB

Under the leadership of Miss Clark and Marjorie Lick, the French Club has had a very successful year. It elected no officers but preferred to stay as an informal group with the sole purpose of learning to speak the French language. There are about twelve members in the Club, the activities of which consisted of preparing short scenes presented to the larger Circle Francais, and correspondence with French young people in Quebec.

### THE CURLING CLUB

The Curling Club was under the direction of Mr. Frickleton, who has taken Mr. Beacom's place. Our year's schedule was interrupted by numerous bonspiels held by the North Hill Club, therefore we could not play as often as we had hoped. We hope for a better season next year. Anyway, we had lots of fun. Saturday mornings found such well recognizes characters as Livingstone, Park, Spence, McGuffin, Mr. Frickleton and Sheane.

### THE TUMBLING CLUB

The Tumbling Club, under the able direction of Mr. Steckle, has enjoyed a year full of fun, with a few bruises mixed in for variety.

Many of the boys who knew little more about tumbling than the names of the mats, box-horse and spring-board, have become very stylish tumblers. There were three groups—juniors, intermediates and seniors, according to experience. The seniors gave a number of displays about the city, and gave good accounts of themselves, and were a credit to the school. The tumbling helped the boys in their P.T., and more members are anticipated next year.

### THE BOXING CLUB

The Boxing Club, sponsored by Mr. McLennan, has given pleasure, black eyes and bloody noses to a small group of boys this year. One of the reason the Club was small is that the Tumbling Club was on the same night (Tuesday). The boys that carried on made very good progress and some good talent was uncovered.

Some of the boys expressed their desire to compete with the other schools—to spread the black eyes around.

The executive was:

President	A1 ]	Hammond
Vice-President		Al Rice
Secretary-Treasurer	Tec	l Insinger

### THE BOYS' HI-Y

The C.H.C.I. Boys' Hi-Y Club has again completed a very successful year. Its success may be reflected in the fact that under the guidance of John Hickey it divided into an Alpha and Beta Chapter. The break was instituted in order to strengthen its membership and give more attention to individual activities of the Club.

The executives for the year were as follows:

### Alpha Chapter-

President	Knight
Vice-President	Scott
Secretary	Clow
Treasurer V	Voodley
Fifth Member T.	Johnson

### Beta Chapter-

President	Mogridge
Vice-President	Langston
Secretary	B. Johnson
Treasurer	Roe

Due to the illness of Mr. Beacom it was necessary to obtain a temporary mentor. Mr. Brooks kindly offered to fill this position and, upon the Club dividing into two chapters, he offered his services to both until such time that a second mentor was found.

The activities of the Clubs have moved along very successfully under the able direction of our presidents, E. Knight and B. Mogridge. The sale of sweaters reached a new high this year and Gordon Langston is to be congratulated for his work in this direction. The Club again sponsored the sale of Christmas cards and publicity for War Savings Stamps in the school, making possible the Hi-Y Honor Roll.

The Club held a very successful shag and several socials.

As a result of the need for a girls' group to hold the joint Boy and Girl Relationships, discussion with the Girls' Hi-Y was reinstituted. The programme was gradually changed during the year so that more talks were given by Club members.

### THE BOYS' I. S. C. F.

The Boys' Group of the Inter-School Christian Fellowship is just one small part of a nation-wide organization formed to give high school students an opportunity for Christian fellowship in the schools.

This year the group was a little larger than previous years. The leader, Mr. W. J. Laing, led the group in many interesting topics. The topic which the boys most enjoyed was "Should Christian Boys Take Up Arms in Defence of Their Country?" This topic was a timely one, since the was has been brought closer to our shores.

The executive is:

President	]	Roy Griffiths
Vice-President	Walter	Wearmouth
Secretary	Ost	orne Reggin

The Boys' Group also have had joint meetings with the Girls' Group when either had a special speaker.

Everyone enjoyed the social events, the squashes, the skating parties and city-wide rallies.

### THE BOYS' BADMINTON CLUB

The Boys' Badminton Club has experienced another very successful year .The Club got away to a good start under the following executive:

President	Stu	Foreman
Vice-President	R	oy Millar
Treasurer	. Le	n Burton
Teacher-in-charge	Mr.	Liesemer

The forty members had the assembly hall on Monday and Wednesday mornings from 7.00 until 8.45 and, in conjunction with the Girls' Badminton Club, on Mondays and Fridays after four.

A large and interesting tournament was run off, with Alex Jardine emerging the winner and Roy Millar, second.

Together with the Girls' Club two very enjoyable socials were held during the season at which the members thoroughly enjoyed themselves.

Several of the students entered the city tournaments and although they were up against more experienced players they gave a good account of themselves. Next year they hope to capture even more of the honors than they did this year.

### JUAN AQUA ZARCA

The J. A. Z. Sorority is just completing another successful year. Among the social functions was a farewell party given in honor of Pat Roberts previous to her moving to Saskatoon. A raffle was held, the proceeds being given to the "Milk for Britain" Fund.

To raise funds for the forthcoming Sorority party, plans for a tea and dance are now being discussed.

### GAMMA DELTA ZETA FRATERNITY

The Gamma Delta Zeta fraternity has a total of fourteen members coming from Crescent, Central and Western, and has rapidly gained in popularity throughout the city. It is hoped that jackets will be obtained in the very near future and plans have also been made for a summer camp at Sylvan Lake.

Although this frat. was organized only eight months ago, it has progressed rapidly. The members are the sponsors of the Gamma Delta Swing Club which is held every second Thursday at the North Hill Masonic Hall. There are approximately two hundred ardent swing fans in this club. ### VISIT OF CHIEF MOUNTAIN HORSE

On Wednesday, April 22nd, under the sponsorship of the Dramatic Club, Chief Mountain Horse visited the school and spoke to an audience that overflowed the Library. The Chief is a Blood Indian, which tribe is the largest branch of the famous Blackfoot Confederacy. Their reserve lies in the beautiful area of Southern Alberta, roughly between Macleod and Lethbridge, and extending almost to the border.

The Chief is a pleasing and well-informed speaker who has made a careful study of the lore and traditions, manners and customs of his people. His address held his audience attentive for the hour he spoke while he explained many of the customs of the Plains Indians which are more or less unknown and misunderstood by the whites. His account, from the Blackfoot point of view, of the creation and dispersion of the various races was most interesting, paralleling so closely as it does the account given in the Bible. Equally fascinating was his account of the origin of the custom of scalping an enemy, and his comparison of the taking scalps to the custom of awarding military decorations for valour on active service was most illuminating.

With his lecture he had an almost priceless collection of ancient weapons and trophies, including the pipe used at the signing of the Blackfoot Treaty. This he had obtained from the family of that great and astute statesman, Chief Crowfoot.

We feel that if his lecture could be more widely heard, much of the misinformation that is commonly passed as authentic among whites, and in our schools especially, would be corrected and that a truer appreciation of the merits of the Indians, and they are many, would promote a better understanding and attitude on the part of the whites.

### RETROSPECTION

With the publication of any year book much credit must be given to those who in any way have contributed their time and effort.

Above all, I extend my sincerest thanks to Mr. Asselstine and Mr. Laurie. Without their splendid advice and guidance the production of the Bugle would have been impossible.

I also wish to thank Ron Campbell and the rest of the Bugle staff for their able assistance. Particularly fine work was done by Ray Clennett as Business Manager.

Joy Eckhardt, too, is to be congratulated for her work on the cover design.

The following students were responsible for the room biographies:

Room 8-Bert Parker and Larry Weir.

Room 18-Ruth Vine and Milton Anderson.

Room 19—Shirley Aisenstadt and George Chapman.

Room 20—Dorothy Thompson and Ted Stunden.

Room 21—Hazel Willetts and George Desson.

Room 22—Cecile Gee and Betty Martin.

Room 23-Norma Woolston and Roy Miller.

Room 25-Peggy Ranson and Gordy Hawkins.

Finally, a word of appreciation must go to the entire student body for their whole-hearted support of the Bugle.

—CYNTHIA DOWNE.

### STAGECRAFT AND KINDRED ARTS

This year the scheme begun successfully last year was elaborated and enlarged with equal success. We allude to the groups of students who were given the opportunity of having special instruction in several crafts closely allied to Dramatics and supplementary to the courses in Dramatics.

This year two large groups in Stagecraft were given careful and thorough instruction by John Hickey, who has spent two summers at the Banff School of Fine Arts, and by Gordon Langston, stage director of the Dramatic Club. Much of the time spent was after school hours, and the regular attendance of the students in these groups speaks well for themselves and their instructors.

It is unfortunate that there is no shop at Crescent so that the work done in these groups may have a more practical application than heretofore. Perhaps that is something that may come in time as more space is made available for increased activities.

Equally worthwhile were the classes in Makeup conducted by Terry Ryan, Matt Livingstone and later by Cecil Duthie, Ted Johnson and Eric Whittred. As these groups met on rehearsal nights and involved coming back to school in the evening, the groups and those in charge are to be congratulated upon their active interest.

Marshall Libeck also made a worthy contribution in carrying on instruction in fencing to a small group of second year students.

Perhaps no greater tribute to the efficiency of the newer type of education can be found than the interest and effort put forth by these students and those who profitted by the instruction given. Certainly all those students are better qualified to take an active part in community life than was the case before. Not only have they gained useful and practical training, but they have learned to work co-operatively within their groups.

### THE FOUR O'CLOCK SHAGS

Last year, for the first time, "four o'clock shags" were introduced at Crescent. For a mere dime, all the hep-cats and jive hounds were able to raise the dust after school until six p.m. The shags were such a success that they were started again this year. They have been sponsored by the Students' Council, the Boys' Athletic Association, and the Boys' Hi-Y. Proceeds have gone to various worthy causes around the school.

We believe that the students will whole-heartedly welcome the shags next year because of the fun they provide, and because they enable the new Grade Tens to get acquainted with everyone.

### THE BUGLE FUND

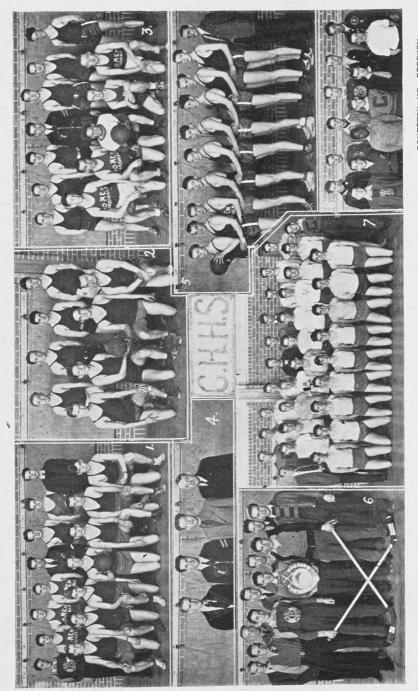

This year the school is endeavoring to send copies of the 1942 Bugle to ex-students now overseas. A special fund, known as the "Bugle Fund," was sponsored by the Girls' Association during the year, to cover expenses for this project and proved to be a huge success.

Proceeds from a Valentine tea and a shag, as well as generous donations from sororities and fraternities in the school, helped to enlarge the fund. Collections were also handed in from every room, and from many of the school clubs.

The War Services Committee, headed by Florence Stewart, kept an excellent record of all the names and service addresses known. The Bugle is being sent to as many of these as possible.

### RUGBY

High school students of Calgary, upon returning to school in the fall, found themselves deprived of one of their most enjoyable pastimes and spors, namely, rugby. Because of the infantile paralysis ban, school was a month late in starting, and thus it was deemed necessary to cancel all plans for a fall rugby schedule. The loss of this popular sport brought about a severe decline in school spirit and enthusiasm. Consequently, from the point of view of the non-athlete, the school sports year has been decidedly lacking. However, we hold high hopes for the future.

### BASKETBALL

### SENIOR ACES (Winners of T. Eaton Co. Trophy)

The Crescent Heights Senior "A" team, the Aces, again showed their basketball supremacy by capturing the T. Eaton Company trophy, emblematic of senior basketball championship in the Calgary high schools.

The team, ably coached by Ward Steckle, went through the season undefeated, and were given their best opposition by the Central squad. However, at no time was their supremacy questioned. Many members of the team show promise of being big league "greats," and with practice and training will reach that goal.

Following are the scores of league games and play-offs:

Crescent Aces, 59; Western, 15.

Crescent Aces, 41; Central, 20.

Crescent Aces, 47; Crescent Blizzards, 32.

Crescent Aces, 37; Western 18.

### Play-offs

Crescent Aces, 42; Central, 20.

Crescent Aces, 49; Central, 22.

The team:

Jimmy Morris—A versatile forward. Leading scorer for Crescent and a very able checker. He would be good in any league.

Tommy Abernethy—The smallest man on the floor but a consistent scorer. What he lacked in height he made up in fighting spirit.

Jimmy Whitelaw—Inexperienced, but definitely good. Watch him next year.

Alex Jardine—A seemingly slow, easy-going fellow, but his deadly shot netted numerous scores. He is another man for next year's champs.

Tom Kilarski—A recruit from the House League who really went to town. He lacks experience but he has the ability.

Frank Holman—His first year of senior and he stood up like a veteran. He filled the position at centre very competently.

Nick Nowack—Small and fast, could check any man twice his size. He was Crescent's best play-maker.

Gordon Watts—Small in stature but great in spirit. He was noted for his shiftiness.

Grant Buchanan — The younger of the Buchanans is following right in his brother's footsteps. He will be a star next year.

### SENIOR BLIZZARDS

Although they were not up to the standard of the Aces, the Crescent Blizzards nevertheless provided stiff opposition in the Senior Basketball loop. Their best effort was a tie game with Western which might have been won by more accurate shooting.

Much credit must be given Bob Buchanan, who took over the team, a group of rookies, and coached them into senior league calibre. Most of the boys will be playing again next year and will provide an excellent basis for a future championship team.

The team:

Coach—Bob Buchanan.

Players—Vern Graham, Leo Hopper, Derek Jackson, Ross Jefferies, Bill Molyneux, Norm. Smith, Hugh Spence, Larry Weir, Bernard Wise.

### CRESCENT JUNIORS

Although they didn't win a game the fighting Junior team provided the stiffest opposition in the Junior League. They lost their games by only such scores as 21 to 23, 24 to 25, and 16 to 21, proving that they put up a game fight.

Thanks are extended to Jimmie Morris, of the Aces, who did a great coaching job on the Juniors. For many of the team it was their first year in basketball, but due to excellent training they became smooth, deceptive and hard-working players. Roy Ware and Bill Braund look like future Senior stars.

The team:

Coach—Jimmie Morris.

Players—Nelson Armstrong, Rex Barnes, Stan Barrington, Bill Braund, Jim Clarke, Bob Daniels, Bill Fairbairn, Bob Faunt, Jack Orman, Bob Orr, Peter Petrasyuk, Bob Urquhart, Roy Ware, Dick Watters.

### HOUSE LEAGUE

The past season of House League basketball was the most successful, according to sideline critics. In all there were 14 teams competing, composed of six Junior and eight Senior squads. It was from these teams that material was drawn for the inter-collegiate teams, one of which captured a championship.

### SENIOR HOUSE LEAGUE

The House League was divided into two sessions, one before Christmas and one after. The former league was composed of teams from the respective rooms. This league was won by Lab. 8 with a powerful squad paced by Buchanan. Numerous scores were over 50, and in one case the 100 mark was reached.

The second section was a league made up of chosen teams. This was a very closely contested, hard-fought league, and the finalists were worthy of inter-collegiate league calibre. Jimmie Morris' squad, in a disputed series, emerged as winners over the "never say die" squad of Bob Buchanan.

### JUNIOR HOUSE LEAGUE

The first half of the Junior House League was entirely devoted to teaching the players the rudiments of the game and to round off many rough points. The training was performed by the senior players and by that veteran of many battles, Ward Steckle.

The second section of this League was won by Room 10, whose team was almost entirely composed of former Balmoral students, with the exception of Ware from Hillhurst, who was a standout. This league was almost a school in which young, anxious players were rounded off into inter-collegiate calibre.

### HOCKEY

### SENIORS

Crescent Heights Senior squad although putting up a game fight were defeated by Central in the final and had to be satisfied with the position of runner-up. The team coached by Mr. Steckle was strong in all departments and lacked only drive which might have been provided by a few supporters at the games.

During league play and also in the finals Crescent was defeated only by Central, having beaten Saint Mary's once and Western twice. Victories over the opposition were very decisive, as were losses. In the final game the Crescent sextet was defeated by the score of 7 to 3.

Outstanding players were, Watters in goal, Creighton on defence and the entire first string forward line, Kelly Dangerfield and Clark.

### THE TEAM

### Coach-Ward Steckle

Players—Lorne Creighton, Stu Eggleston, Dick Watters, Dave McMurray, Ken Nixon, Jim "Rock" Kelly, Crawf Dangerfield, Jim "Horse" Clark, Nicky Nowak, Gordy McGuffin, Jim Whitelaw, Ted King, Bill Godley.

### JUNIOR CHAMPS

Ably coached and conditioned by a student of Crescent Heights, Bob "Spike" Brown, the Junior Hockey team for the second time in two years captured the laurels in the inter-collegiate setup. Paced by Merkley in goal, Jenkins and Black on the forward line and Watts and Adams on defense the squad beat down their opponents. Stiff opposition was given by Central who tied the Crescent sextet twice.

Following are game scores:

League games—Crescent 2, St. Mary's 1: Crescent 3, Western 2: Crescent 1, Central 1: Crescent 2, Central 2: Crescent 3, Central 2:

Final—Crescent 3, St. Mary's 2.

The Team-

Goal—Arnold Merkley.

Defense—Gordon Watts, Johnny Malkinson, Porky Adams, Bill-Braund.

Forwards—First string—Jim Clark, Bob Daniel, Jack Gifford. Second string—Don Black, Rex Barnes, Fred Jenkins.

Subs.—Jinx Finney and Don Mann

Jim Finney a great little player obtained an arm injury which kept him out of play for the greater part of the season.

### TRACK MEET

### SENIOR BOYS (Class Champions)

The senior track team consisted not of individual stars but of a number of good, reliable, all around athletes. The team copped only one first, but numerous seconds, thirds and fourths brought up the point total. As a result of their efforts and fine performance the Senior boys were awarded the Vimy Ridge shield indicating supremacy in their division. Following is a point summary of the results:

Bill Parker—5 points.

Wes Crowle-6 points.

Al Hammond—8 points (individual class champion).

Doug Sparrow-

Ben Parker—5 points.

The relay team, consisting of Bill Parker, Wes Crowle, Bill Miller and Ken Fraser, did very well in securing second place.

### Two-Mile Team

The part taken by Crescent Heights in the two-mile feature of 1941 would best be forgotten. Of the six starters in the gruelling grind, only one finished. That one, Frank Holman, must be commended upon his perseverance in continuing when his team-mates failed. The remainder of the team consisted of Allan Winchester, Ted Sawchuck, Pete Swityk, Don Stevens and Ossie Nelson. Thanks for trying, fellows and better luck next time.

### INTERMEDIATE BOYS

The Intermediate class due to a poor turnout at the trials, was represented by only four athletes at the meet. The boys gave their "all" for dear old Crescent, but were defeated by exceptionally stiff competition. The results were as follows:

Frank Gurney—4 points. Hugh Spence Bert Barker

Alex Leitch

In the closely contested relay race the Hilltops had to be content with fourth place.

### JUNIOR BOYS

The Junior team, although providing very stiff competition, was nosed out by Central. Sparked by Collison, who won the individual championship, and by Bob Brown, the team put up a game but losing fight. The tabulated results were:

Don Collison—10 points (tied for individual championship).

Bob Brown—4½ points.

Murray Bowman, Peter Petrushuk, Bill Leitch.

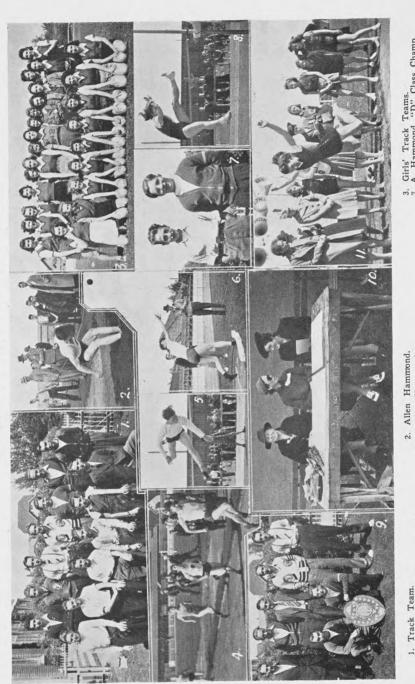

The relay team, composed of Brown, Bowman, Petrushuk and Leitch, captured second place.

Thus the book closes on another interesting and successful year of school sport.

### A TRIBUTE

It is deemed fitting that at this time we pay tribute to those athletes who have offered their services to their country. May their spirit on the field of sport make them winners on the field of battle.

To those who have given their lives we cannot pay a high enough tribute, but may we extend our most sincere condolences and sympathies to their loved ones.

### JUNIOR GIRLS' TRACK TEAM

This year the Junior honors go to Dorothy Ward who not only broke a record in the high jump, but was Junior champion of the high schools with a total of 15 points. This total was a great help to the Junior Team, which gained 23 1-2 points, also placing second to Western.

### SENIOR BASKETBALL CHAMPIONS

### INTERMEDIATE BASKETBALL (left)

First Row-Kay Phillips, Olive Rose, Carrie Gadsby.

Second Row—Doris Lumley, Miss Wylie (Mgr.), Shirley Williams, Dorcas Johnson, Allan Williams (coach), Colleen Johnson. Absent—Lois James, Archie Jacobs (coach).

### JUNIOR BASKETBALL CHAMPIONS (right)

First Row-Ruby Guthrie, Vivienne Scorah, Laurine Garden, Eileen Williams.

Second Row—Lauraine Boyd, June Skirten, Margaret Hunter, Joy Eckhart, Alice Winchester, Katy Johnston, Audrey Cawsey. Absent—Ruth Vine (coach).

### GIRLS' BASKETBALL

Another successful year of basketball can be attributed to the enthusiastic and capable supervision of Miss Wylie. To our Senior coach, Archie Jacobs; our Junior coach, Ruth Vine, and assistant coach, Sliz Williams, go our congratulaions for a season of A-1 basketball. An unusually large turnout at the beginning of the season brought to light several promising new players, and resulted in the three ambitious teams which put our girls on top. The Seniors played several exhibition games with Normal during the year and held their own throughout. League games were played with Western only.

### SENIOR TEAM

After a close and exciting series our Crescent Seniors came out on top with a narrow margin of two points to win the Senior Championship again in 1942. For a while it seemed that Western had the upper hand when they took the second and third last games at 26-24 and 20-12, but our team rallied to beat them 19-17 in the final game. The Seniors enjoyed the good, clean sportsmanship fostered by the league games. It is hoped that Central will join the series next year.

### INTERMEDIATE TEAM

Our Intermediates pulled together and played some splendid games during the season, even though they were unable to carry off winning honors. Competition was extremely keen, as was indicated by the scores of the last few games. To lose by a tie game was especially disappointing after such a hard fight. Next year the Intermediates will be in the "old fight" again. Here 's wishing them better luck.

### JUNIOR TEAM

Fighting their way to a victorious finish our Juniors reversed their last year's standing by defeating the Western Juniors. In league games of four out of seven, the decisive scores of 11-55 and 16-4 showed the splendid ability and teamwork which proved to be too much for the opposing team, and resulted in Crescent attaining the Junior Championship. Unfortunately one of our star players, Toodie Pridmore, had to relinquish her position on the team due to temporary ill health. It is expected that she will be out to next year's games.

### HOUSE LEAGUE TEAMS

The House League schedule was interrupted this year by the Inter-School League so that the outcome was not decided. However, due to the large number of players, five teams were picked and several good games were played. The teams and captains were as follows:

Blizzards—Betty Fitts. Stampeders—Ruth Vine. Argos—Margaret Asselstine. Spitfires—Dorothy Ward. Sadie Hawkins—Kitty Johnson.

Our tastes change as we mature. Little girls like painted dolls; little boys like soldiers. When they grow up the girls like the soldiers and the boys go after the painted dolls.

Then there was the Social Studies student who had to postpone his report on the "Future of Europe" for lack of material.

BOYS are like that. And girls. They want to grow up fast—to fill their father's shoes . . . to be as grand as mother. But there's more to growing up than just filling out size nine. It's living, learning, becoming educated to the world around us. Schools are part of that education. Experience is part of it too. And the graduates who remember that respect of laws work personal advantage . . . that loyalty to country starts by being good neighbors . . . that good citizenship begins at home . . . have gone a long way towards really filling their father's shoes. Good luck to the class of 1942!
